LETTER OF REFERENCE

I am very pleased to write a reference letter for Ar Almaz Rahim. I have had the opportunity to know Almaz from the time when she was appointed to manage the International Islamic University Malaysia Kulliyah of Dentistry project as the Consultant Architect.

Almaz has proven to be an asset to the project. She has shown to be reliable, trustworthy and has excellent work ethics, which is a reflection of her abilities and hard work. I am very impressed with her dedication in the present venture and I am sure she would demonstrate the same for any other endeavour. On more than one occasion, she has stepped up and gone above and beyond the call to support the timely completion of the present project. In addition to these great qualities, Almaz has displayed great enthusiasm, initiative and creativity. She has excellent communication skills and I find myself at ease when discussing project matters. I am sure that she will be a dedicated and highly talented asset to anything that she pursues.

The Kulliyah of Dentistry is indeed very fortunate to have her as the Consultant Architect and I am confident that we shall be more than satisfied with the end product. I highly recommend Ar Almaz Rahim.

Thank you.

Sincerely,

MAJ (R) DR AKBAR SHAM HUSSIN
